We would like to thank all of you who took the time to help celebrate Abe Thiessen's life with us this past Saturday. We appreciated the willingness of everyone who helped, from ministers, musicians, ushers, sound technicians, chefs in the kitchen, and people staying to cleanup. We would also like to thank people for their phone calls, texts, visits, cards, and delicious food that sustained us through this busy weekend. We feel truly blessed to have such a caring community of believers around us.
