## **Note from Council/Ministerial**

On June 11, 2020, an ADHOC transition team formed with the hope of navigating Coaldale Mennonite Church through the murky waters of worship during a global pandemic. What seemed to be a daunting task, became a new way to reach far more people than we could have ever imagined. Our church community, through live stream and Zoom, stayed connected. We supported one another and worshipped together meaningfully even when we were unable to leave our homes. What the team and the CMC community did was find a new direction with a new compass.

Today, almost two years later, we want to find a new direction as we put COVID behind us. Our direction is always upward, focusing on strengthening our relationship with God. In turn we are driven outward, to each other and to people in our community. We are looking for a new team to prayerfully guide us in the new outward direction we want to take. A team who will come together and share ideas and plans for how we can move forward stronger, more united in Christ than we have ever been. If you feel like you would like to be part of this dynamic team, please talk with someone on council, ministerial, or call Jodi at the office. We would love for this team to begin meeting as early as January 2022.
